

## Overnight Bean Salad

(GERMAIN  
to  
Eleanor)

- 1 (1 lb.) can green wax beans (drained)
- 1 " " Wax beans "
- 1 " " Kidney beans "
- $\frac{1}{2}$  cup Chopped green pepper
- $\frac{1}{2}$  cup " onion
- $\frac{1}{2}$  " Salad oil
- $\frac{1}{2}$  " vinegar
- $\frac{3}{4}$  c. sugar
- 1 teasp. salt
- $\frac{1}{2}$  " pepper (over)

Combine beans, green pepper & onions. Blend together remaining ingredients. Pour over bean mixture. Chill in refrigerator overnight at least six hours. Makes 7-10 servings.

(I suggest pouring off excess dressing when serving, but store it in refrigerator for serving left over salad.)
